Military University Hospital Prague, U Vojenské nemocnice 1200, 169 02 Prague 6, Czech Republic

The aim of the presentation is to provide a brief overview of professional soldiers who have been provided with psychological care in the clinical section of the Department of Psychology of the Military University Hospital Prague in the last years. An overview of diagnoses and the type of care provided will be presented. The care will be illustrated in more detail in the case study of several soldiers.

Keywords: clinical psychology; army; case study
